Message:

Hi folks, I'm from Broadus and hope that you can keep the southeastern corner of Montana together in redistricting this time. On the legislative districts we have right now, Powder River County is split close to my ranch. You have to do that for population sometimes, but Powder River, Custer, Carter and Fallon have a lot in common and you should keep us together. Right now my neighbors and I are primarily with Rosebud and Big Horn Co's and don't have a say. While ranching neighbors near me are split between the two districts and we all should vote together.

For our area, HDP2 and HDP4 make the most sense for southeastern Montana. Powder River, Carter and Fallon are all together and part of Custer but it looks like Custer has to be split because Miles City is a bigger town. Those two maps are the best for our area and even Prairie and Wibaux Counties have a lot in common with us with lots of ag, small towns and natural resource development.

Thank you for your consideration.
Steve Held
