Plan	Opinion	Comment	Name	City	State
HDP1-1	Like	This appears to be what compact, contiguous and communities of interest should look like.	Terry Nelson	Hamilton	MT
HDP 4-1	Like	This is the best map for following the rules for the Bitterroot. The previous southern districts made a donut hole out of Hamilton with the far Southern district running North of Hamilton. This splits it in a reasonable way without creating a donut.	Terry Nelson	Hamilton	MT
HDP2-1	Dislike	When one of the criteria is to keep cities and counties a whole as possible, it seems ridiculous that Missoula has 12 fingers running into its center coming from several rural counties.	Terry Nelson	Hamilton	MT
HDP2-1	Dislike	I am moving from Hamilton to the Three Mile area NE of Stevensville. From this map, that rural area goes through unroaded forest service land to nearly hit Clinton and Bonner and then goes through the heart of Missoula just North of Southgate Mall and nearly to Reserve Street. To get from Three Mile area to the closest point in Missoula by road, you would need to travel through 6 other districts. This is not compact, contiguous nor has communities of interest in mind. This can only be referenced as extreme gerrymandering for political reasons.	Terry Nelson	Hamilton	MT
HDP2-1	Dislike	This map fails in Compact, Contiguous, Communities of Interest, and any semblance of logic. The only thing Darby, Drummond and Deer Lodge have in common is they start with the letter D. You would need to backpack through wilderness to stay in the district. To drive you would have to leave from the south and drive 2 hours to get back in the district. From the North its a bit easier as you have highway and freeway and would only take 1:45 hours.	Terry Nelson	Hamilton	MT
HDP 4-1	Dislike	Keep Stillwater County intact! Don't needlessly split the County.	Forrest Mandeville	Columbus	MT
HDP3-1	Dislike	This map needlessly splits Stillwater and Sweet Grass Counties to enable a gerrymander putting Red Lodge and Big Sky in the same district.	Forrest Mandeville	Columbus	MT
HDP2-1	Dislike	Drawing Red Lodge and Big Sky into the same district is bizarre. Not compact. This map needlessly splits Stillwater County.	Forrest Mandeville	Columbus	MT
HDP1-1	Like	Good map. Keeps Stillwater County area intact and close to how it has been done traditionally.	Forrest Mandeville	Columbus	MT
